CLALLAM TRANSIT SYSTEM Video Surveillance Integration Project Request for Proposals (RFP) 16-02

Clallam Transit System (CTS) is seeking proposals for a complete and operational project to integrate, update and expand of its current video surveillance system at three (3) locations within Clallam County linking all locations utilizing a Central Management Software platform for live viewing and recording at its Main Facility. The system shall have the ability to view and record at all three (3) locations remotely from the main facility.

The locations are as follows:

1. Clallam Transit System (CTS) – Main Facility
830 W. Lauridsen Blvd.
Port Angeles, WA 98363
2. Gateway Transit Center (GTC)
123 E. Front Street
Port Angeles, WA 98362
3. Forks Transit Center (FTC)
551 S. Forks Avenue
Forks, WA 98331

PROPOSALS MUST INCLUDE AT A MINIMUM

All costs associated with permits, taxes, affidavits and intents, delivery, installation and operation as intended at each of the designated locations specified in the above addresses.

Submit all specifications, complete warranty information, cut sheets or brochures depicting all components, software and hardware.

Specify “price good through date,” and include order, delivery and expected project timeline.

Submit detailed service cost including travel and response time for future service and/or warranty work. Include nearest service location.

QUESTIONS

Questions regarding this procurement shall be directed to Kevin Gallacci, Maintenance Manager, (360) 417-1359 direct or by email: keving@clallamtransit.com.

SPECIFICATIONS (minimum)

System shall provide integration of the three (3) specified locations for viewing and recording at Clallam Transit Systems Main Facility located at 830 West Lauridsen Blvd., Port Angeles, WA 98363, including ability to view and record at other two (2) locations.

System shall provide record video footage at a minimum of three (3) weeks.

The proposed equipment shall meet or exceed the following details, standards and specifications at each designated location:

1. Clallam Transit System – Main Facility

Provide all parts, materials, labor and equipment to replace the current system with new recording equipment, software and cameras where specified at designated locations within two (2) buildings at this location.
